We are well aware that requirements of such clients and of the need for speed and are able to highlight title problems which may be of significance whilst avoiding concentrating on the trivial.

PORTFOLIO MANAGEMENT

Our extensive experience with landlords of investment property portfolios of all sizes enables us to offer comprehensive assistance on all aspects of property management from licences permitting tenant's alterations or to grant underleases or to assign through to lease renewals themselves.

Our considerable involvement in this work enables us to offer additional advice on the effect that such transactions may have on the value and security of the investment.
