

LICENSED AND LEISURE PREMISES

We are experienced in dealing with the purchase and sale of freehold and leasehold pubs restaurants and other licensed premises, together with specific leisure premises ranging from health and fitness clubs to more unusual premises such as a dive centre and a private airfield.

Such transactions often involve the sale or purchase of the goodwill and assets of the business carried on upon the premises and as necessary, our property and corporate teams work closely together to ensure that the transaction proceeds as efficiently as possible.

TELECOM MASTS

This is an area of the practice which has seen much growth in recent years and we are experienced in dealing with leases of land upon which telecom masts are to be installed and in the sale and transfer of such leases. This type of transaction has particular pitfalls for unwary landowners and we can provide the advice needed to protect the interests of the landowner client and conclude a satisfactory arrangement.
